The following are basic policies of Sandwich Elementary PTA, in support of our mission to promote the health and welfare of children and support the family structure in which they reside

- a. On a yearly basis, the Sandwich Elementary PTA will vote at a general membership meeting to set aside funds amounting to no more than 5 percent of gross profits from the previous year toward the Mary D. Cox Scholarship Fund.
- b. The Sandwich Elementary PTA Executive Board will distribute funds via the Mary D. Cox Scholarship Fund to families of students attending either or both the Forestdale School and Oak Ridge School who are determined to be in need.
- c. Funds distributed through the Mary D. Cox Scholarship Fund will amount to no more than \$300.00 per family and will be distributed in a manner consistent with the needs of the family, such as food and school supplies.
- d. General membership will be notified at each general membership meeting of the amount of funds distributed through the Mary D. Cox Scholarship Fund.

#### **07/20/2022: Water and Snack Request from Nurse**

Due to changes in town ordinances with single use water bottles, Nursing Department Head Nicola Bordelon reached out to PTA over the summer to ask for assistance with water donations. Because PTA funds are considered municipal funds, requesting gift cards or money is not permissible to use for single use water bottles. The board acquired a private donation of water and E-board voted unanimously to store water bottles in PTA closets to distribute throughout the year.

Nicola requests a grant for snacks only.

### Forestdale

- (2018-2019 there was 1 performance almost every month)
  - What do we see 2022-2023 looking like?
  - Sarah had mentioned these first 3 options.
- Wacky Science
  - In-Person \$1195 or 2/\$1795, AM/PM - \$2390
  - More than just whiz, bang, poof and pop, the show focuses on science with everyday objects and makes the Scientific Method easy to understand!
- Math Magical
  - In-Person 1 or 2/\$2195, AM/PM - \$2990
  - An assembly designed to get your students excited about math!
- The Freestyle Connection BMX
  - In-Person 1 or 2/\$3100, AM/PM – \$3990
  - Catch the attention of your students through a mind blowing BMX Stunt Show!
- Other Options
  - The bFit Show - Get your kids excited about eating healthy and exercise!

### Oak Ridge

- Brett Outchcunis: Particular date in mind? Currently booking for October. Rate for a school show is \$850 and it runs 60 mins. If you'd like to split the school up, can do two shows for \$1500.
  - —His "Skills FOR LIFE" programs are designed to give students tools and techniques for navigating everyday life that are easy to use and remember.
  - —Yo-Yos, Music & Dance is a 60-minute show that combines three of Ooch's favorite activities - yo-yo tricks, cool music and sweet dance moves!
- Working with John Williams (instrumental teacher): Vento Chiaro is a wind ensemble that came in each year for grades 3 & 4. Per John - Vento Chiaro is already holding 3/31, which would be perfect to coincide with their evening concert. I just need to confirm with them. And I will be meeting with Band Boosters on 9/12 where we will discuss whether they can help with funding.
- Bart Weizerman: He would alternate one year jazz and the other Klezmer. Again per John - Bart is happy to do the presentations for grades 5 & 6 as we've done in the past, and there is no cost to us. I will work with Brandy to get those scheduled, probably around the same time as we get Vento Chiaro (assuming it will be a go), late March early April.
